

MIMIS Jr. Viking Days 2025-26

What: A Viking tradition that continues this year to successfully launch the 2025-26 school year. A time for parents/guardians, students, and families to come to the middle school, fill out emergency cards and receive valuable information on the upcoming school year. Students will get their school yearbook pictures taken (so look nice) and will also get issued their school ID. You'll have a chance to order a yearbook online at the best price of the year.
