December 15, 2025

Dear Marysville Families,

We are excited to share a new, streamlined way to report student absences. **Beginning January 5, 2026, Marysville Public Schools will launch a dedicated attendance phone line for all buildings.**

If your child will be absent from school, simply call **810-364-7313**.
You will be prompted to select your child's school:

- **Washington Elementary – press 1**
- **Gardens Elementary – press 2**
- **Morton Elementary – press 3**
- **Marysville Middle School – press 4**
- **Marysville High School – press 5**

After selecting the school, you'll be directed to that building's attendance mailbox. Please leave your name, your child's name, date(s) and reason of the absence.

This new system was created with families in mind—**one number to use throughout your child's entire journey in Marysville Public Schools**. We hope this makes reporting absences quicker and more convenient.

We will post the attendance line number on our district website for reference.

Thank you for your patience and support during this transition. We wish you and your family a wonderful holiday season filled with joy and time together.

Warm regards,
Marysville Public Schools

MISSION

"Personalize learning for every student through rigor, relevance and relationships."
