

Morton Elementary School

Home/School Compact

Vision: Every student will excel, both personally and for the benefit of humanity.

Mission: Personalize learning for every student through rigor, relevance and relationships.

It is important that families and schools work together to help students achieve high academic standards. Through a process that included teachers, families, students and community members the following are agreed upon roles and responsibilities that we as partners will carry out to support student success in school and in life.

Parent/Guardian:

We as parents/guardians will support our children's learning in the following ways:

- Make sure that my child attends school regularly and on time
- Establish a time and place for homework and check it regularly
- Support the school in its efforts to maintain positive behaviors and attitudes toward school
- Support my child's learning and participate in decisions relating to my child's education by attending parent teacher conferences and other school functions
- Maintain open communication between home and school
- Encourage my child to read at home every day and provide opportunities for them to see me reading

Student:

It is important that I work to the best of my ability. Therefore, I will strive to do the following:

- Come to school prepared and ready to learn
- Finish my school work and participate in classroom activities
- Obey classroom, school and bus rules
- Be respectful, responsible and safe at all times
- Believe that I can learn and I will learn
- Read at home everyday

Staff:

We the members of the Morton Elementary School community, will support your child in the following ways:

- Believe that all children can learn and promote life long learning
- Provide a high quality curriculum and effective instruction for all students within a safe and supportive learning environment
- Keep students and parents informed by providing ongoing information about student progress and behavior
- Provide parents opportunities to volunteer and participate in their child's classroom activities
- Provide assistance to parents so they can help their children at home
- Keep open lines of communication between the school and home
- Support and encourage all stakeholders in honoring this home/school compact
